**Troutdale 26-248**

Prohibit additional recreational marijuana retailers in the city of Troutdale.

**VOTE: YES**

The state wants very little restrictions on the locations of these retailers and the city wants to keep them further from schools and parks. Vote Yes to keep them from being located close to a school or park near you.

**Gresham 26-255: Voter Threshold**

Would just require a majority to amend the charter rather than the current requirement of 60% of the voters

**VOTE: NO**

**Gresham 26-256: Urban Renewal**

Would allow the city council to make any changes to Urban Renewal that it deems necessary without approval of voters, but would require public outreach and a public hearing. Let's keep the rules related to Urban Renewal as they are today and let voters be involved in the process.

**VOTE: NO**
